DECLARATION OF COMPATIBILITY COMISA PRESS FITTINGS

With the following declaration we would like to confirm the **positive compatibility** of the tests made with:

Uni-fitt Press-Fittings diam. 16x2,0 made by Comisa

With

UNI-FITT – UNIVERSAL series – www.uni-fitt.com – MADE IN ITALY – Sanitary & Heating 16x2 mm PE-Xb/EVOH oxygen proof GOST R 18599 – COST R 52134 – EN ISO 15875 (class 2/10bar I class 4/10bar I class 5/8bar) – DIN 4726 – Lot.1012001455 31/07/12 14:19:12 B L5, in the size corresponding to the fitting.

The jaw profile to be used for installation is TH in the size corresponding to the fitting.

Method of testing:

- UNI EN 12293:2001 – Test method for resistance of assemblies to temperature cycling
- Comisa Press test protocol

This declaration is valid as a warranty (for 10 years). The warranty is void if:

- The installation is not done according to the installation instructions contained in the publications of Comisa S.p.A.
- The system is used to carry liquids other than those contained in the publications of Comisa S.p.A.
- In the system are used liquids at pressure and temperature values other than the limits shown in the publications of Comisa S.p.A.

A handwritten signature in black ink, appearing to read 'M. Stefan', is written over a faint, larger signature.
